Members of the **DIAMOND** and **EMERALD** membership options may be eligible for membership sharing support to help defray expenses associated with adopting a child younger than 18 years of age.

Eligible adoption expenses are those that Altrua HealthShare defines as reasonable and necessary including adoption agency fees, court costs, attorney fees, travel expenses (including amounts spent for meals and lodging while away from home), home study fees, immigration and natu-ralization fees and other expenses directly related to the adoption event. Eligible fees and expenses will first be applied towards the Adoption Member Responsibility Amount (MRA). Expenses exceeding the Adoption MRA may then be reimbursed to the member up to the maximum adoption sharing limit of \$5,000.

Members must submit this form along with proof of payment of the eligible expenses to be applied towards the Adoption MRA, and to request reimbursement of expenses once the Adoption MRA has been met.

You may request to enroll the adopted child/ ren on an Altrua HealthShare membership once the child/ren is over 30 days old. Submit your "Add or Remove Dependent" request online through your Member Portal.

MEMBERS MAY NOT HAVE AMOUNTS APPLIED TOWARDS THE ADOPTION MRA OR REIMBURSED FOR ANY EXPENSES OR FEES PAID BY AN EMPLOYER, GOVERNMENT PROGRAM OR ANY OTHER SOURCE.

**Void where prohibited:** Although Altrua HealthShare offers memberships nationwide, some of the sharing options contained in the Membership Guidelines may **NOT** be available to Members in all geographic locations or jurisdictions. Adoption sharing options are **NOT** available to Texas residents
